Asian/Pacific Islander Domestic Violence  
Resource Project  
(DVRP)

*We envision a world that is free from  
violence and oppression.*

Founded and Led by Survivors of Gender- and Power-Based  
Violence

For nearly 30 years, DVRP has been at the forefront of providing linguistically and culturally sensitive services to Asian/Pacific Islander (A/PI) survivors of gender- and power-based violence in DC, Maryland, and Virginia. The Survivor Services Program (SSP) provides case management, and the Outreach and Training Program engages the A/PI community in dialogue around DV/SA and enhances local organizations' capacity to serve A/PI survivors. Survivors have access to free DVRP-managed direct services such as individual case management, a confidential crisis response hotline, and assistance by professionals versed in 20 A/PI languages. In 2023 alone, DVRP provided trainings to over 1000 community members and direct services to 244 survivors.

DVRP aims to further build its community of individuals dedicated to ending gender- and power-based violence by welcoming applicants for its board of directors. As a board member you'll have an opportunity to lead the organization, collaborate with partners, and drive change within our communities.

We are looking for a board member with professional experience in accounting/finance (CPAs, Bankers, Controllers or CFOs) and experience in financial accounting for nonprofits.

The board member is expected to have the financial acumen to read and understand DVRP's financial statements and otherwise help the board fulfill its fiduciary responsibilities.

Our board member involvement includes:

- Attend monthly meetings:
  - Board meetings
  - Committee meetings (based on committee membership)
- Take an active role in the organization's governance, finance, fundraising, and communications, based on your desired area of involvement and related experience.
