1116 COMMUNITY MEMBERS

Were directly trained by our Outreach Team. This includes mainstream service providers, college students, male allies, youth serving organizations & religious groups. This was our in-person connection in 2019.

INNOVATION 2019: #USTOO

We were funded in 2019 by the Time's Up Legal Defense Fund to do work around workplace sexual harassment. Through this project, we trained 3 Peer Champions who each led their own trainings within their A/PI communities

ART THERAPY 2.0

Building on the success of last year's pilot program, we held a 5-session Art Therapy workshop in Rockville, MD (15 attendees) and a 10-session workshop in Washington DC (15 attendees). We all came together on June 5th as a moment of self-care and celebration.
